**Isotonix OPC-3<sup>®</sup>** is an isotonic-capable food supplement that is made from a combination of bilberry, grape seed, red wine, pine bark extracts and citrus extract bioflavonoids, all found to be potent antioxidants. Antioxidants are nutrients such as vitamins and minerals, and enzymes that are capable of counteracting the damaging, but normal, effects of the physiological process of oxidation in bodily tissues. Oligomeric proanthocyanidins (OPCs) are bioflavonoids (complex organic plant compounds) found in fruits, vegetables and certain tree barks that provide exceptional nutritional benefits to the human body.
